

Smart Mobile Terminal

SUNMI V3 MIX New

reddot winner 2024

MIX, the all-in-one enterprise tablets.

MIX your POS terminal to capture businesses anywhere, anytime.

10" high-resolution display and a built-in high speed printer make a mobile and desktop terminal.

MIX, design not only for payment.

Ergonomically designed for a comfortable grip. Professional scanner integrated 1D/2D barcode scanning. Aluminum-magnesium alloy frame and incell touchscreen make it strong yet slim and light.

*All Pictures shown are for illustration purpose only, actual product may vary.

MIX for higher performance.

Qualcomm hexa-core processor and 4GB RAM+32GB ROM for an assured strong performance.

MIX for wider extensibility.

Specially designed rotatable functional cradle enable cash drawer, handheld scanner and network among other accessories that boost your business.

*Both rotatable cradle and non-rotatable cradle options are available.

SUNMI MIX SERIES Cradle

Best versatility booster for your enterprise tablet.

Dock, and charge.

Just put the tablet on the cradle to charge it with pogo pins. Convenient and stable.

Make your tablet even more versatile.

The cradle comes with ports for scanner, cash drawer, secondary display, USB device, network connection and more, making your tablet helpful in more business scenarios.

A tablet, but also a desktop.

Put the tablet on a fixed or 180° swivable cradle to make it a desktop that fits your business. The swivable one can be fixed at 0° or 180°.

Easy to fix and use

The device can be easily but securely fixed to the cradle, so that you will always know where to find the device and use it without wobbling.
